Contract Wins

Notice of Results

Billington Holdings Plc (AIM: BILN), one of the UK's leading structural steel and construction safety solutions specialists, is pleased to announce two further significant contract wins for data centre projects with an expected combined value of circa £42 million.

These large contracts are with new clients for the Group. The first project secured is the initial phase of a much larger development and will see Billington commence work in Q4 2026 with delivery principally during H1 2027. The second project will commence in Q1 2027 and continue into 2028.

Notice of Results

Billington will release its interim results for the six months ended 30 June 2026 on Tuesday 29 September 2026.

Mark Smith, Chief Executive Officer of Billington, commented:

"We are very pleased to have secured these two significant contracts, both with new clients for Billington, further demonstrating the Group's strong position in the data centre sector.

"These awards add significantly to our now record order book and provide excellent visibility through 2027 and into 2028, while highlighting the opportunities available to Billington in sectors where demand remains strong. We look forward to working with our new and existing clients to successfully deliver these projects."
